

# Canções de Ilha Deserta

Marta Garrett e João Pedro Coelho apresentam em concerto as canções que levariam para um pedaço de terra perdido no mar. As que nos lembram de viver com histórias de corações partidos, de saudades, as de esperança, as alegres, polémicas e activistas, tortas, estranhas, ou leves e bonitas, de compositores como Chico Buarque, Fausto, Pixinguinha, Gershwin e Duke Ellington.

Marta Garrett and João Pedro Coelho present in concert the songs they would take to a piece of land lost in the sea. The ones who remind us of living with their heart break stories, the hopeful ones, the cheerful, polemic and activist, crooked, strange, or light and pretty, by composers like Chico Buarque, Fausto, Pixinguinha, Gershwin and Duke Ellington.
